# Welcome to the Goderich Salt & Harvest Festival!

**Did you know?**  
At 1800ft, the mine is as deep as the CN Tower in Toronto is tall!

Goderich Tourism, Royal LePage Heartland Realty, and West Coast Blues have teamed up to bring you a weekend filled with loads of unique salted experiences, eats, activities & tours for all. Let this Program be your guide to a fun filled weekend of adventures in Canada's prettiest town!

## The Goderich salt mine is the largest of its kind in the world.

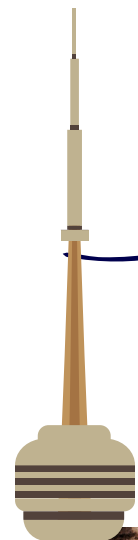

In operation since 1959 and acquired by Compass Minerals in 1990, this unique world wonder sprawls out under Lake Huron, creating a massive network of roads that is physically larger than the Town of Goderich itself. It's an engineering feat that goes widely unnoticed above ground!

**Did you know?**  
The first annual Goderich Salt and Harvest Festival won Best New Event in Province at the 2024 Festivals & Events Ontario Awards!

## The Goderich Salt & Harvest Festival would not be possible without the support of our sponsors.

Thank you for your support in helping to make our festival the best it can be.
